FUX

The **model ELA** is a trendy sneaker, adapted to the needs of the healthcare professionals. This closed shoe provides maximum protection, and sits tight to the foot, thanks to the laces. The air unit in the heel provides optimal cushioning. The removable memory foam insole gives great comfort. The leather outsole can easily be cleaned with a damp cloth. The lining is breathable Coolmax. The sole is slip resistant with an antistatic plug.

The Oxysport line is specially designed to be on your feet all day.

Ela

CE-standard
CE EN 20347 certified.

Leather
The upper material is leather.

Coolmax®-lining
Keeps your feet cool and draws perspiration away from the skin.

Easy maintenance
The shoe can easily be cleaned with a damp cloth.

Shock absorbing
The Air-unit in the heel guarantees optimal shock absorption.

Renewable insole

Renewable insole with Coolmax® and a filling of memory foam make walking very comfortable. You can easily replace the insole or use your own orthopedic insoles.

Anti-static ESD
The shoe features a plug that improves the dissipation of static electricity and meets the ESD standard.

Slip resistant SRC
The rubber outsole provides excellent grip, both on wet and dry floors and complies with the SRC standard.

Usage

Suitable for those who walk and stand for a long time daily. So recommended for:

- Healthcare professionals
- Nurses and caregivers
- Wellness and beauty center professionals
- Homecare
