- Anti-static properties
- Comfortable, hard wearing and flexible
- Lightweight EVA, Non-Toxic & Latex Free
- Anti-bacterial - Anti-fungus - Anti-mould

'Dynamic' OB ESD A SRC E EN ISO 20347

Dynamic - 'Therapy while you Work'

So many people choose the worst possible footwear. This not only puts their feet at risk but can also affect the joints in the ankles, knees, hips and even the vertebral column.

Dynamics give your body the best possible protection by providing the key benefits of postural support, effective shock absorption to the heel and excellent cushioning across the sole.

Perfect for when you are working, relaxing or recovering from sport or injury.

*White, navy, green & blue up to size EU 48 (UK 13.5)

*Grey - limited stock available
